Merchants Declare December Business Is Best In Years

Is business better?

That is a question a reporter for the Nugget has been asking the business men of Nevada City and Grass Valley. Their answer has been almost universally in the affirmative.

In this city, S. Lee Leiter, largest retailer of men's and women's wear, states that the December business has been the best in six years Christmas stocks were practically all sold.

Ray Murchie of Alpha Stores reports the largest December buhiness in many years, and states that this seems to be a general condition among all retail merchants.

Charles Wyant, who recently purchased the Schrieber restaurant, declares that December patronage has far exceeded his expectation. He has been obliged to enlarge his staff to take care of his increasing number of patrons.

T. W. Richards of Dickerman's Drug Company, states that this December's business has exceeded that of many years.

D. Henry, manager of the New Safeway store opened a few days ago, declares that business has been most satisfactory.

In Grass Valley, Jos. Bennetts, of Bennetts & Steele, men's furnishings, reports the best Christmas business since 1919, when the boys came home from the world war. Similarly, Earl L. Covey, manager of J. C. Penney Co., in Grass Valley, states that in the five years since the Penney branch was established in Grass Valley, the volume of business has never been so large. Mr. W. H. Webb of Webb Motors, since taking over Ford Sales and Service in Grass Valley, reports increasing his staff from 2 to 20 men, and December's business unprecedented in sales of cars, accessories, and parts.

San Francisco Plans "Gold Year" Festival

Just 85 years after the "gold rush of '49," San Francisco, the city by the Golden Gate, the foundations of which were laid by the gold mining industry of California, is planning to make 1934 "California's Gold Year."

Already hotel men and railroad executives are making the plans for this jubilee, celebrating both the 85th anniversary of the great gold rush and the tremendous revivial in gold mining throughout California.

Al Knorp, editor of "Western Mining News" published in San Francisco, is one of the promoters of this great festival which will reach its climax next September with a week's celebration in San Francisco. In the meantime, if present plans are carried out, railway and hotel associations will make every effort to stimulate sight seeing tours and travel throughout the Mother Lode. It is expected that national advertising by these two associations will greatly stimulate westward travel during the spring and summer, and that when September rolls around there will be great gatherings of mining men, eastern visitors, and Californians to celebrate the "Gold Year" in much the same fashion, as in years past the Portola Festival was celebrated.

Mr. Knorp states:

"Nineteen hundred and thirty-four will be to the modern west as was 1849 to the old. It will see the modern gold boom blossom forth into real activity. Just 85 years after the "gold rush of 49" we have the stage set for the "gold year, 1934." No wild scramble this. But a revival of the industry such as has not been witnessed since the hectic days on the Comstock.

"No other industry can stimulate western business as can gold mining. None ever has, none ever will. History will again repeat itself and the prosperity of western America will return under the leadership of the miners.

"It is fitting that this revival should be commemorated by a statewide celebration. The year 1934 should be set aside and proclaimed by the governor as the Gold Year in California, and, from plans already under way, it is reasonable to expect this will be forthcoming. A week's fiesta is being planned for San Francisco, to be held in the early fall of the year. This movement was submitted by the publishers of this paper to leaders in the mining industry, members of the Chambers of Commerce throughout the state, prominent hotel men and railroad men and other civic and state leaders, and has received most enthusiastic support everywhere. Organization is all that is needed, and that organization is well under way.

"At first glance, this might seem to be just a "stunt." Not so. It will be an invitation to the entire nation to come to California and visit her mining districts to see the extent and importence of this basic industry. We have been assured that many California companies who advertise nationally will give publicity to this celebration.

"We have been assured by the railroads, bus companies and tourist agencies that not only will excursions be run to the mining districts throughout the year, but that they will advertise them nationally as well. We have been assured by many leading citizens in the mining districts that those districts will respond—in fact vie with each other—toward welcoming and entertaining visitors and tourists to their communities. And you can rest assured that the welcome will be the warm, old time western welcome, so famous throughout the world.

"This is the time for action. The gold miners' prospects have never been brighter. The importance of this industry has never been so paramount. We know that. It is now up to us to demonstrate to the rest of the world exactly what we have, what we need, and what we plan to do."

TWO MORE DAYS IN WHICH TO SAVE 50C

Only today and tomorrow, two business days remain, in which subscribers to the Nevada City Nugget may save 50 cents by paying up their annual subscriptions. The price for a year's subscription to this newspaper, issued twice a week, remains at $2.00 for those two days. After that the price will be $2.50. This is the subscription price of most weeklies throughout California. Or $2.50 for a semi weekly the price is low. At $2.00 a year the price is too cheap. But take advantage of this offer. Come in today or tomorrow and save that 50 cents.

WHAT! NOT SANTA? OFF WITH HIS WHISKERS!

Three festive Christmas celebrators got into an argument. One of the trio had long whiskers. His companions began calling him "Santa Claus." The whiskered celebrant earnestly denied that he was Santa Claus, but his companions refused to be convinced as long as he wore whiskers. Finally, somewhat annoyed that their friend should deny his identity as Santa Claus, despite all the evidence against him, the two declared he should no longer masquerade as good St. Nicholas. One produced a pocket knife and the two proceeded to give the ostensible Santa a shave. The knife slipped, however, and laid bare the whiskered one's juglar vein without severing it. It required several stitches to close the wound.

XMAS GIFTS FOR 340 MINERS OF IDAHO MD. CO.

The Idaho-Maryland Mines Company, which granted their men a 3-day Christmas holiday and a five dollar present, resumed operations last Tuesday with a full force of 340 men.

The company also took out a large insurance policy for each man, the mine to pay 80 cents of the cost for each one and the miners to pay a like amount.

Treating of the mine tailings is going forward rapidly and the company will realize a neat sum, with the new and improved methods of treatment.

Errol MacBoyle is manager of the mine while Bert Crase is superintendent.

Mrs. L. R. Robins who has been visiting relatives and friends in Los Angeles and San Diego returned home Sunday accompanied by her son, Frank Grady, who spent Christmas here.

EVERYONE EAGER FOR BIG ANNUAL FIREMAN'S BALL

From the comment one hears on the street, it would appear that everybody and his best girl are going to the Firemen's annual masquerade ball tomorrow (Saturday) night in Armory hall.

From up country, far and near, people are planning to go after one of the many prizes the firemen are offering in this big annual event, which undoubtedly will surpass all others in spectacular features, music, attendance, and all around New Years entertainment and good time.

Louie Kopp, the chief, declares that the half is not yet told of the unusual and laugh compelling stunts that will be pulled during the night of fun. Several new features are being held in reserve, to climax those already advertised.

The proceeds of the big affair will go toward the equipment and Armory Hall fund which the fire department has purchased.

Here are a few of the prizes to be awarded the maskers, with a warning that no costume appearing on the flour after 10 o'clock will receive a prize:

C. W. A. WORKERS IMPROVE ROADS

Supervisor C. S. Arbogast has a crew of men, CWA workers employed at the southeastern limits of Nevada City at the end of Park Avenue. They are cutting down a steep narrow road and building a substantial rock wall and widening the sharp turn to a distance of about 30 additional feet.

This section of road is in front of the A. H. Haddy home and is about half way between the city and the site of the new municipal park.

Clarence Hammermeister and Miss Frieda Pitz motored to Sacramento Monday. They accompanied his brother, Ed Hammermeister to Sacramento where he took the train for Seattle, Washington.

Harold Young and wife of the bay district, who spent Christmas in Nevada City with his mother, Mrs. W. E. Young, and other relatives, have returned home.

Stars And A Tree

A bright star bloomed in the fields of night,
Low it hung o'er the western hills;
And its shimmering image lay agleam
In lakes and rivers and rippling rills.
Over the forests it lingered long,
Flecking their branches with dust of gold,
Then onward swept in its destined path
True to its course as the star of old.

Over the snow capped mountain heights,
Down to the canyon's rugged rim,
O'er little hamlets and lonely farms,
Into the gulches deep and dim;
Stole the light of a shining star,
Hallowing all with its magic sheen;
And beauty blossomed as shadows fled,
And nothing it touched seemed poor or mean.

The star shone down on a little town—
Our little town of the seven hills;
Resting secure in her mountain coign,
Lulled by the music of singing rills;
And rays from celestial realms afar
With earth born light was strangely wed;
For a forest king stood forth in pride,
With a glowing star on its regal head.

Lilting voices and words of cheer,
Children's laughter and carols sweet,
Fragrance incense of fir and pine,
Jeweled verdure on every street,
And a towering tree with majestic grace,
Lifting its star to the orb above,
As their mingled radiance told once more
The olden story of peace and love.

Past Year's Record Of Englebright, One Of Splendid Service

Congressman and Mrs. Harry L. Englebright, and their son, Jackson, left for Washington D. C., Tuesday morning, where Mr. Englebright will make preparations for the opening of Congress, January 3.

The past year has been an extremely busy one for the Mother Lode congressman. Besides diligent work for the promotion of mining measures affecting the mining industry, most notable of which was his success in obtaining the President's order lifting the embargo on gold, Congressman Englebright has been active in securing Federal funds for the improvement of roads in this district.

Among other projects which he promoted to a successful conclusion was an appropriation for $1,463,000 highway improvements, of which $125,000 was for the Sierraville-Hobart highway, and $150,000 for the Sierra City-Feather River highway.

Congressman Englebright was also instrumental in securing 68 Civilian Conservation Corps camps for the Forest Reserves within his congressional district. The establishment of these camps greatly stimulated business throughout the Mother Lode region. He also obtained an appropriation of $198,000 for fighting forest fires in the National Forests of California.

For making mineral land investigations and printing geological survey reports $240,000 was obtained in one appropriation. For stream gauging by the U. S. Geological Survey in co-operation with the State authorities, an appropriating of $50,000 was obtained.

For the improvement of the National Parks, Yosemite and Mt. Lassen, an appropriation of $1,514,800 was obtained through Mr. Englebright's efforts.

For Indian hospitals and reservations within his district $14,350 was obtained, and for reclamation projects $130,500.

One of his most important accomplishments was, after the adjournment of Congress, to persuade the House Rivers and Harbors committee to pass a resolution ordering a review and hearing of the all questions affecting hydraulic mining, with especial reference to the building or debris dams. These hearings have already been held by the U. S. Debris Commission in Sacramento and their report is now in the hands of the U. S. Army Board of Engineers at Washington. Among other projects submitted at this hearing was the building of a dam in the Yuba Narrows, near Smartsville, by means of which it would be possible to resume hydraulic operations on a vast scale.

VICTIM OF ORE CHUTE TRAGEDY BORNE TO REST

Clifford T. Brock, who perished Monday night in an ore chute of the Empire mine, was borne to his grave yesterday afternoon following services conducted by the Rev. Charles F. Washburn, rector of Trinity and Emmanuel Episcopal churches. Interment was in the Elm Ridge cemetery under the direction of the Holmes Funeral Home.

C. C. C. BOYS RECOVERING

James Shaw and William Kenatso, members of Company 914, Grass Valley, who underwent operations for appendicitius last week, are convelescing at the Nevada City Sanitarium. Both have been pronounced out of danger and are expected to be back at camp in the near future. Dr. Lt. B. W. Humelt, Co. 914 Surgeon, performed the operations.

HERE'S YOUR HAT YOU OLD 1933 REPROBATE!

All aboard for 1934! And won't we be nappy to leave 1933 back there among the mastodons, the dinosaurs, the near beer, the used cars, the threadbare suits, the ragged underwear the nudists, the everlasting beans and cheap cuts. Come on, you Nineteen Hundred and Thirty Four! Zoom down here from the Stratosphere and take us all aboard. Give us a stirrup cup to wash that 1933 taste out of our mouths and we are off.

And by the way there won't be an issue of the Nevada City Nugget next Monday, we are starting the New Year right. We wish all our subscribers, (there are 950 of 'em) and our friends (we've never counted 'em, though we feel that every subscriber is a friend) a glorious and HAPPY NEW YEAR!!

ONE STEP FORWARD

Next Spring there will be a great splashing in the new municipal swimming pool in the park which the city fathers have just purchased. Ten acres of the very best bit of mountain scenery original timber, native shrubs and boulder strewn stream, have been acquired for the city's very own to have and to hold as long as Nevada City exists.

Our boys and girls will no longer find it necessary to trek miles for a good swim in unsafe waters. Picnickers will find one of the most lovely spots in the mountains in which to spread their cloths and viands.

This a step forward. Three times at the polls the people of this city resolutely voted for the swimming pool, the last time, despite the fact that they were offered a reduction of 30 cents per hundred in their tax rate.

The next step forward should be a new grammar school building and a gymnasium-auditorium for the high school.

The other day, discussing the subject, we referred to the number of school children in the high and grammar schools as "more than 500." As a matter of fact there are nearly 600 children in the two schools. The younger children, in the grammar schools need a safe, sanitary and modern school building. If anyone doubts this vital need, let them ask any member of the school board. The high school students, in order to be as well equipped as 99 per cent of the high school children throughout California, should have a gymnasium auditorium.

Since the progressive citizens of Nevada City, have turned down a proposal to save taxes in order to provide their children with a swimming pool, who shall say that they would refuse a bond issue to improve their schools?

PLUMBAGO DEVELOPES VIRGIN TERRITORY

Mining of the ore and developing of new ground in the Plumbago mine at Alleghany, is progressing. This was one of the first properties to prove existence of high grade deposits in the Alleghany field.

The Plumbago, owned by the Yuba Sierra Development Co., was recently provided with electric power, the mine machinery improved and the old workings rehabilitated. It is expected the mill will be put into operation in the spring.

The company is also operating the El Dorado property and is reported in profitable ore.

Both of these properties lie near the Tightner, Sixteen-to-One and other noted producers.

Billy Morris, salesman from Oakland, with Wesley Smalley have been spending a few days in Nevada City, visiting with Mr. and Mrs. J. S. King, at their home on Broad Street. Mr. and Mrs King will soon leave for Oakland where they go every winter and as soon as the springtime comes they will be back among their many friends in Nevada City.

Mr. and Mrs. Nye Johnson will have as Christmas dinner guests her mother, Mrs. W. E. Young; sister, Miss Beth Young, of Nevada City, and brother, Harold Young and wife and son of the bay section.

V. F. W. AUXILIARY GIVES CHRISTMAS PARTY

The V. F. W. Auxiliary gave a most enjoyable party Friday evening which was attended by a large congregation. The committee in charge wishes to thank all those who participated in the program or helped in any way.

Santa Claus came with presents and candy for all the children. The program follows:

"Jingle Bells" by all the children with accompainiment by Mrs. King.

"Merry Christmas," recitation by Juanita Williams.

Recitation, by Joe Day.

Tap dance, by Fay Williams, accompanied by Mrs. Talbot.

Recitation, by Bob Shaughnessy.

Recitation, by Merrill Day.

Recitation, by Walter Butz.

Song, "Silent Night," by those present, accompanied by Mrs. King.

Miss Helen Calanan of San Francisco is spending the Christmas holidays in Nevada City with her parents Mr. and Mrs. George Calanan.

Murray Pryor of Walnut Grove and W. Curtis of Sacramento were business visitors in Nevada City yesterday and also called on the former's sister, Mrs. Ed Martine.

Mrs. David E. Blakley and Miss Harriett, will spend the Christmas holidays in Berkeley. Miss Blakely is a student at the University of California.

SMALL PROFIT IN SMALL GOLD PURCHASES

After several queries in regard to a recent letter signed the "Small Gold Miner" that appeared in the Nevada City Nugget a few days ago, a Nugget reporter has been given a specific instance as an example. A shipment of 8.98 ounces of gold was purchased over the period of a week and the prices ranged from $25.00 to $26.00 according to how clean the gold dust and nuggets were. When the gold buyers gold was melted at the mint there was a loss of over one half ounce or between $12.00 and $13.00 on the shipment.

He was sent a check for $251.24 and after deducting the insurance and shipping charges of $1.24 he had $250.00 clear. This 8.98 ounces brought him $250, or $27.83 an ounce clear. On that shipment he cleared from $2.83 to $1.83 an ounce but from this he also had to pay his office rent, license fee and other overhead expense.

Gold buyers that have small grocery stores and take the gold dust and nuggets in trade, this buyer states, can afford to pay a higher price as they also make a profit on their grocery sales.

One sniper, who had been selling to a gold buyer, made a shipment of three ounces to the mint and realized about $27.00 an ounce. He is now selling to the gold buyer at $25.00 and $26.00 an ounce, as he realizes the gold buyer is paying him nearly as much as he received at the mint with no waiting and no shipping expense. Before his experience he was under the impression he would get the world market price, and now he relizes the world price is for absolutely pure gold or 1.000 fine. The average river gold in this locality runs about 850 fine.

STATE TREASURER IS TESTING SCOTT CLAIMS

State Treasurer Charles G. Johnson of Sacramento, is prospecting the Scott gravel property, near Poker Flat not far from Goodyear Bar and in Sierra county.

This property is owned by the Scott brothers of Downieville. In early days adjoining ground, which the ancient channel traversed, was hydraulicked with rich returns.

Johnson has a crew busily engaged in driving a long tunnel to tap the channel.

He is also negotiating the sale of his Kirkpatrick gravel mine just north of Goodyear Bar.

Louis Savio, who has been visiting in Nevada City with his sister Mrs. Elmer Durbin for a few days has returned to his home in San Jose.

Miss Catherine Celio, student at U. of C. is spending the holidays in Nevada City with her mother, Mrs. Catherine Celio.

Miss Deynes Foley, who is a student at the U. of C. is home for the Christmas holidays.

NEVADA HI HOOPSTERS BEATEN IN FAST GAME

Last Friday night Lincoln nosed out Nevada City's crack A hoopsters 25 to 19. Nevada City showed up well against the larger and more experienced Lincoln boys. The game was the most exciting Nevada City has played ths season. The Yellowjackets kept nip and tuck with the Lincoln boys until the last quarter.

The starting line up for Nevada City was: Steger and Pierce, forwards; Celio, center; and Browning and Tamblyn, guards. Haddy and Roznski were sent in as substitutes. Celio was taken out of the game for four personal fouls.

In the B game, the Yellowjackets were swatted 50 to 8, the much larger and trickier Lincoln boys completely bewildered the Yellowjackets. The line up was: Bill Polkinghorn and Harold Lopez as forwards; Don Jones as center and Ray Steger and Dick Stevens as guards, and Elliot, Doolittle and Thomas, substitutes. Doolittle played the outstanding game of the evening, sinking two shots from the middle of the floor and being high-point man for Nevada City with six out of the eight points scored.

SNOWMOBILE TAKES UP JOB OF CARRYING MAIL

The snowmobile, with which F. Davies, mail contractor for the route between Nevada City and Alleghany and Forest, successfully battled with the huge snow drifts last year, is again in commission and during the last few days, has been bucking the snow banks on the upper stretch of the Foote road and between Alleghany and Forest.

The snowmobile is a combination auto and sleigh. When the wheels can no longer make the grade, the sleigh runners are dropped into place, the wheels elevated, and the engine propels the contraption on its way with the U .S. mails.

ABUNDANT RAINS AN AID TO MINE OPERATORS

Placer miners are welcoming the rain and snow as many gravel properties have been inactive awaiting water.

Latest reports from Downieville are that the Finney, Standard and other quartz mines, with ore piled high on the dumps, have been awaiting water in order to operate their mills. The Finney mine is at the south city limits of Downieville.

Within recent weeks another property south of Downieville was sold to Los Angeles men who will start operations in the spring.

"Yes, Ann, and everyone is satisfied. I had these rooms redecorated and Jack has his Gas furnace."
"Why, Jane, you have just done wonders in fixing up this room."

Gas Heating

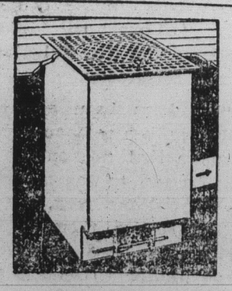
for cleanliness, comfort and convenience

In practically every one of the thousands of gas appliance installations that have been made this winter—a man had to be sold and a woman had to be satisfied. Each had very definite ideas about house heating before anything new was bought and put into use.

Gas Heating satisfies a woman first of all because of its cleanliness. She knows Gas Heating helps make her housework easier because it brings in no dirt and creates none.

Men like Gas Heating because ordering and delivering is automatic. Gas comes piped directly to the furnace or gas appliance. Men, of course, know the easy control of a gas fire means economy as well as greater comfort.

Why not get an estimate on the cost of Gas Heating equipment for your home? Remember, too, that the equipment needed for your home can be purchased on term payments. Only a small down payment is needed. Why not be satisfied and comfortable in your home this winter?



Circulating Heater

Attractive, low in first cost and highly efficient. It heats two to four rooms. Made in many sizes and styles. Extremely economical to operate.

Floor Furnace

Solves the heating problem for homes without a basement. Highly praised by thousands. Saves floor space and is easy and most economical to install and operate.

ST. MARY'S CARDS VICTORS AGAIN

By HARLEY LEETE Jr.

Redmen's hall was the scene of two fast exciting games of basketball Friday night.

An unofficial Nevada City A team composed of Tom Doyle, Carl Steger, Cove Celio, Fred Browning, and Bob Tamblyn, were defeated by St. Mary's Cardinals B team, 25 to 19. The Cards squad consisted of Bud Colvin, John Sbaffi, Ed Kraesesvasc, Bob Tucker, and Scoop Wasley. Jack Clark and Lloyd Haddy substituted for Nevada City, Grenfell refereed.

Many laughs were caused by the rough house tactics of the two teams who felt unusually boisterous because of the unofficial conditions under which the games were played.

The other game of the evening was between St. Mary's Cardinals A team (unofficial) and the Marysville Phi Delts. Kraesevasc, Cooper, Lindstrom, McCary, Verdod played for the Cardinals.

St. Mary's vanquished the Marysville boys 44 to 20 in a hard fought game.

RESIDENTS OF COUNTY HOSPITAL ENTERTAINED

The residents in the Nevada County hospital have been the recipients of many Christmas gifts and programs at the hands of various organizations during the past week.

The Past Presidents Association of the Native Daughters last Friday entertained them with a diversified selections of songs, recitations, and stunts, and on leaving, gave each of the old ladies a Christmas present.

The Junior Epworth League of Grass Valley also presented a delightful program, and the Grass Valley Coral Choir sang carols Sunday afternoon, choosing in the main, old and well beloved songs that deeply stirred the hearts of the old people.

On Sunday a sumptious turkey dinner was served and the residents of the hospital thoroughly enjoyed it.

Mr. and Mrs. John Eden had as Christmas guests, their son, Gerry Eden of Los Angeles, and Mr. and Mrs. Herman Eden and family of Lincoln.

WELCH TO TAKE BANK POST AT MARYSVILLE

Hilliard E. Welch, vice president of the Bank of America main office at Sacramento, has been appointed manager of the Marysville Branch of the institution and will take office January 2, as successor to T. P. Coats, who recently resigned to become president of the Production Credit Corporation, in Berkeley.

Born and raised in Northern California, a frequent visitor to Sutter and Yuba counties. Welch is well known in Marysville. He is a native of Shasta county and spent most of his boyhood in Modoc county.

SALES OF LICENSE PLATES OPENS JAN. 2

SACRAMENTO, Dec. 28—The annual state motor vehicle license renewal season will open at Sacramento and all branch offices of the Department of Motor Vehicles next Tuesday morning, January 2nd., at 9 o'clock a. m.

License plates will be delivered directly over the counters to all who call and present the 1933 certificate of registration and the amount of the fee.

Offices of the Department at which license plates may be obtained are located at Sacramento, San Francisco, Oakland Stockton, Fresno, Los Angeles, Pasadena, San Jose, Long Beach, San Bernardino, Hollywood and San Diego.

In addition more than fifty branch offices of the automobile associations have been authorized to serve their members with plates.

Offices of the department will be open from 9 a. m. to 5 p. m. Additional clerks will be hired to give as speedy service as is possible

Large Bundles of Waste Paper For SALE AT THE NUGGET OFFICE.

DESTROY OLD PLATES VEHICLE DEPT. URGES

SACRAMENTO, Dec. 28.—Destroy your old plates as soon as you have installed your new ones.

This request was made today on motorists of California by Russell Bevans, registrar of motor vehicles in anticipation of the opening of the annual renewal season on January 2nd.

Bevans explained that in past years thieves have been known to take advantage of the fact that it is legal to drive for a short time with old plates after the renewal season opens by putting old plates on stolen cars.

The new plates will be delivered by mail to all who have applied for them shortly after the holidays.

Counter deliveries will start on January 2nd., at Sacramento and at all branch offices at which time motorists may call in person.

The department is now receiving applications through the mails at the rate of nearly 10,000 daily. The certificate of registration and the amount of the fee is all that is required in making such applications.

Motorists are not required to furnish proof of payment of personal property taxes on vehicles in accordance with the new law until March 5th.

.....C. C. C. CAMP GUESTS.....

Lt. Col. Frank E. McCullough, and Mrs McCullough, of Nevada City, and Lieutenants Taylor E. Lewis and G. W. Tripp and families of Marysville District C. C. C. headquarters, were honored guests of Company 914, Grass Valley camp, for Christmas dinner.

Other guests of the occasion were Lt. and Mrs. Waldo B. Telfer, Lt. and Mrs. B. W. Hummelt, of Grass Valley, Mr. and Mrs. Wilfred Meadows, and Miss Gladys Tompkins, of Glenbrook.

Mrs. Luther Marsh and her three little children are spending the holidays with her mother in Roseville.

ULCERS OF THE STOMACH

Perhaps a word or two will not be out of place to tell the opinion of Ulcers of the stomach of Shin Nong, a most notable Chinese herbalist. According to Shin Nong's classification the stomach is the principal organ of digestion and every part of the body is dependent upon it for nourishment. When the five principal elements are working with equal balance and power the stomach and the spleen are working in unison and are free from complaints. The stomach and the spleen depend upon the fire elements of the blood for their digestive power, just as the cooking of food in the pot depends upon fire and water.

If either the stomach or the spleen is inflamed or weak, gas, pain, vomiting, indigestion, billiousness, a grating sensation, an empty annoying feeling after each meal, cancer or ulcers may result.

Ulcers of the stomach and duodenum do not heal as rapidly as ulcers in other parts of the body, because being subject to the action of the digestive juice. An ulcer of this sort may be caused by anything which will weaken the protectively mucous lining and allowing the powerful juices to actually penetrate into the muscular tissue.

About 80 per cent of stomach ulcers are located in a small area toward the pyloric end of the stomach and the upper and back walls. In ulcers of the deodenum they are usually located in the first inch and a half in at least 95 per cent of the cases. The size of an ulcer may vary from a pin head to quite a large surface. It may occur in several places, although usually only one place is ulcerated at a time.

Thousands of people right here in California have thus proven to their own satisfaction that the Yee's Herbs are pure, fresh, free from objectionate substance and possessed of marvelous healing power. That is why former patrons are continually bringing their sick friends and relatives to taste that Yee's Herbs are good.

A Happy New Year

This Is My Wish to All My Friends, for Nevada County, for Our Golden State and Our Great Country.

The past year has brought me a great bereavement, a loss for which Time itself can offer no consolation. Yet, in carrying forward to realization the ideals of this dear partner who is gone, in taking up the work that she laid down, I have found relief from the bitterness of parting. In the sympathy of all those who knew her I have found comfort.

The past year has brought to others in this communitv the sorrow that the years bring to us all. To these goes my sympathy and the wish that the New Year will restore to them a measure of happiness. Together we face forward with thoughts turned hopefully to the New Year's unfolding.

There are many things that make me believe that the New Year will be kinder to us in material things than was the last. We are in a state of transition from the old to the new.

Under the New Order, based on better social relations, better economic conditions, and higher ideals in business and all human relationships, I believe we shall all be happier, more free of care, and, incidentally, more prosperous.

Already we begin to feel the effect of this new order. This Christmas has sounded a happier note in all our contacts. Hopes of better living conditions are being realized.....The year opens with a brighter and broader prospect for all.

SUPERVISOR OF SIERRA CO. DEAD

By ACTON M. CLEVELAND

DOWNIEVILLE, Dec. 27.—Benjamin LeRoy Hames, Sierra City merchant, and a member of the Board of Supervisors of Sierra county, passed away Tuesday at the Sutter hospital at Sacramento. Although he had been ill for some little time, it was not thought serious, and his passing has been a great shock to many of his friends.

Deceased was born in San Jose, Santa Clara county, 48 years ago, and spent the younger days of his life at that place, learning the plumbing trade. He came to Camptonville in 1906 in the employ of W. B. Meek Company, part of the time connected with the store, and proprietor of the Camptonville Hotel. He was connected with this firm for 19 years, during which time he established himself a home, and became prominent on community affairs, and made a large acquaintance of friends. He married Miss Hattie M. Nolan of Downieville.

In 1926 they moved to Sierra City to go into business for himself, where he has been a prominent marchant, and agent of the Pacific Telephone and Telegraph Company since that time. In 1928 he was elected Supervisor of this district, and re-elected again in 1932. He made a good county official, conscientious, fair in his work, and well liked by all. His passing is not only a loss to the community but one to the county at large. He was active in road work, and did much to further the popularity of the Yuba Pass.

He was a member and Past Master of Gravel Range Lodge No. 59 F & A M of Camptonville, a member of the local Chapter Royal Arch Masons, and a member of the Scottish Rite Bodies of Masonry at Sacramento.

Funeral services will be held from the Masonic Temple at Downieville Saturday afternoon under the auspices of the Masonic Order, interment to be made in the Downieville cemetery.

FRIENDLY HEN GOES FOR LAST AUTO RIDE

A miner from up country rolled into town. He got out of his car and walked down Broad street. Shortly afterward a crowd collected about his car. On the running board was a large red hen complacently roosting there, and eyeing the gathering throng with a most friendly air. Presently the miner returned and for the first time spied the hen. He did not hesitate, but gathered the hen up and chucked her into the rear with the rumble seat. Said he: "I don't know where that hen came from, but I know where she's going. That's my New Year's dinner."

CHRISTMAS DONATIONS FOR 31 FAMILIES

Mrs. C. E. Parsons, chairman of the Woman's Civic club, and members of the Red Cross, the latter distributing through the Civic club, prepared 31 boxes of groceries. The Native Daughters, who had a Christmas tree Wednesday evening and received a number of donations of food and toys, sent in their collection and it was also placed into the boxes.

A part of the fruit put up by the Red Cross this summer and fall, was sent out in the boxes, and it is estimated that there was fully $125 worth of groceries donated by the school children and the organizations are very grateful to the public who so kindly donated the materials that went into those 31 boxes that brought cheer and hapiness to those in need.

NORTH COLUMBIA

By MARYLYN WILSON

NORTH COLUMBIA, Dec. 28.—Mr. and Mrs. Frank Brophey of Berkeley are spending the holidays with their relatives, the Englishes.

An old time resident proves that she is keeping up with the latest by decorating an outside Christmas tree, even to the lighting of candles, which lend their ray of Christmas cheer to any weary passer-by on the lonesome mountain road. No other than Miss Florence Hatcher could think of any thing so fine.

A Christmas program was given at the Cherokee school last Saturday night, December 23rd., each one of the pupils taking a part. There were presents and popcorn balls for the children. Dancing followed and a good time was enjoyed.

Mr. and Mrs. J. S. Pitman are entertaining their daughter and her husband, Mr. and Mrs. Kaye, from Stockton, during the Christmas week.

FRENCH CORRAL

By Mrs. Kate M. Sullivan

FRENCH CORRAL, December 20. Well here goes for some news so as to avoid the Christmas rush.

Election over and all attention will now be centered on the holiday season.

Although yesterday was cold and bleak and it looked like it might snow, enough voters turned out to prove that a deep interest was felt in the Central Valley Water Project. The returns showed: YES 17, and NO 2 with a total of 19 votes polled.

A little snow fell yesterday, but "the beautiful" has not got down to business in this section so far this season.

A program and Christmas tree, are in preparation and will was given in Thursday. It was a fine program and was enjoyed by all those who were so fortunate to be present.

Mrs. P. Nichols, of Sacramento. with her sons, Chester and Arthur, and grandson, Arthur Davis spent Sunday with her friend, Mrs. Kate Sullivan of French Corral. The family are ex residents of this place and always enjoy a home coming, which is equally pleasurable too their many friends.

Harry Browning came up from Brown's Valley last Saturday to visit his home folks and also visited with relatives in Nevada City.

Mrs. A. Browning and children visited with relatives in Nevada City Saturday and Sunday.

Miss Francis Moulton, of Sacramento spent the week-end at the home of her parents, Mr .and Mrs. W. E. Moulton. She was accompanied by her aunt, Mrs. Lena McCarthy, of Los Angeles Mrs. McCarthy will remain for some weeks to visit with her sister Mrs. W. E. Moulton.

Miss Francis Moulton will be in the future known as Mrs. W. H. Baker, as a quiet wedding took place which was attended only by friends and relatives. Miss Francis and William Horace Baker were the contracting parties and the ceremony took place Sunday evening at Sacramento, at which place the young couple will make their future home. Both of these young folks are general favorites and the blessings and good wishes of their legion of friends go with them.

Mr. and Mrs. Bill Hatch and her children of Nevada City were Sunday visitors.

J. W. Culver has taken a trip to San Francisco and will remain to spend Christmas with her son and daughter.

Two of our residents, Mrs. Elinore Haslett and Dave Williams are now employed with the CWA. They are working on the road near Fremman's Crossing.

Merry Christmas and a Happy New Year is our wish to all who read the Nugget.

CAMPTONVILLE MAN WEDS WENATCHEE BELLE

CAMPTONVILLE, Dec. 26.—Word was received here a few days ago of the marriage of Chester U. Hanson, native of this place, and the youngest son of Fred B. Hanson, to Miss Alma Erickson, of Wenatchee, Washington, the marriage taking place at Wenatchee on November 11th.

The groom left here a few years ago and has been a resident of Wenatchee since that time, where he holds a responsible position. He was one of the most popular young men of this secion, being of aimable disposition, good nature, and a favorite of all who knew him. The bride is a native of Washington, and holds a responsible position in the court house at Wenatchee. The young couple will reside in that city.

The many friends here extend cordial and hearty congratulations.

WHEN you are suffering, you want relief—not tomorrow—not next week—but right away. *DR. MILES ANTI-PAIN PILLS* relieve in just a few minutes—less than half the time required for many other pain-relieving medicines to act.

Next time you have a *Headache*, or *Neuralgia*, or *Muscular, Sciatic, Rheumatic*, or *Periodic Pains*, just take an Anti-Pain Pill. Learn for yourself how prompt and effective these little pain relievers are. You will never again want to use slower, less effective, less palatable medicines, after you have used Dr. Miles Anti-Pain Pills.

I am much pleased with your Anti-Pain Pills. They sure are wonderful for a headache and for functional pains. I have tried every kind of pills for headache, but none satisfied me as your Anti-Pain Pills have.

NIGHT WATCHMAN JEFFRIES RESIGNS

The city council has accepted the resignation of William C. Jeffries from the office of night watchman, which he has faithfully discharged for ten years. George Gibson, for years a resident of Nevada City, has been appointed to the place upon the high recommendation of Chief of Police Garfield Robson. Mr. Jeffries retires from office with the good wishes and thanks of those who knew him, for his long and devoted service to the city.

Rev. and Mrs. H. H. Buckner motored to Oakland and spent the Xmas holidays with relatives and friends. They returned yesterday.

Mr. and Mrs. E. M. Rector have as a guest their son, Bill Rector, who is attending McGill University.

Carter Family Have Christmas Reunion

Mr. and Mrs. Randolph Carter celebrated Christmas with a big turkey dinner at which all of the family were present for a happy reunion.

Those present were: Mrs. R. Morrison and husband, of Arbuckle and her daughter Miss Reynolds of Sacramento; Mr. and Mrs. Will Carter, Mr. and Mrs. Lawrence Carter and Sheriff George R. Carter and the host and hostess.

Mr. and Mrs. George Osterman of Hollywood, are spending the holidays in Nevada City with his mother, Mrs. Clara Scarfe.

Dr. Jack Rector and wife of Boston have arrived in Nevada City to spend the Christmas holidays with his parents, Mr. and Mrs. E. J. Rector.

EIGHT MEN WORKING ON NORTH STAR TAILINGS

Cash Cook and associates, who have a lease on part of the North Star tailing near Grass Valley, have a crew of eight men working three shifts.

Concentrates are being shipped daily and about 100 tons of tailings are being handled in one working day.

Gurdon Leete, who has been visiting his parents in Nevada City, yesterday returned to Stanford University.

Mr. and Mrs. Fred F. Breese spent the Christmas holidays in San Francisco with their daughter, Mrs. Wm. Ray and husband.

Christmas Program Given in Trinity

There was a splendid attendance at the Christmas program in the Trinity Episcopal church last Friday afternoon.

Each child rendered their pieces well and the vested choir of children was a beautiful and unusual sight as they carried out their parts like their adults. Another distinctive feature was the playing of the big pipe organ by little nine year old Betty Lou Krough.

Mrs. Kopp is Hostess To Thursday Club

Mrs. Louis Kopp entertained the Thursday Club yesterday afternoon, Mrs. Kopp having as a guest of honor her mother-in-law, Mrs. Karl Kopp.

The afternoon proved a most enjoyable one with prizes going to those making highest awards at cards.

The pretty home was artistically decorated adding charm to the happy gathering.

Jackson Englebright Honored by Boy Scouts

Nevada City Boy Scouts gave a farewell raviola dinner last Saturday evening in the Foresters hall in honor of a departing member, Jackson Englebright, who left with his parents Tuesday for Washington, D. C.

All present report a splendid time.
